MARCH 6, 2024

LOCATION: BAR RIVER COMMUNITY CENTRE

PRESENT: Shawn Evoy Heather Frolick Allen Cook Pam Cook
 Matt Frolick Suzanne Evoy Marlene Paquette

The meeting was called to order by Shawn Evoy, Chairperson.

Hall Drawings were distributed by Shawn Evoy. Siding options were discussed, including the options of pre-finished vs. unfinished that would require painting. The group decided to pursue unfinished wood, which would be included in the upcoming tender.

The option of moving the furnace to the crawl space was discussed, since space in the backroom will be limited with the addition of the additional washroom.

Interior doors were discussed, and the group decided to pursue wooden doors, as opposed to hollow metal doors.

Shawn Evoy will prepare 2 tenders – 1 for exterior renovations, including siding, windows and exterior doors (items listed in budget), with the addition of steps, engineering, eavestroughs and downspouts. The 2nd tender will be for interior renovations, including washrooms, kitchen renovations and painting (items listed in budget).

Heather Frolick will research options for replacing the current wainscoting, as well as lighting and fans.

Options for the kitchen were discussed, including the need to replace the outlet for the microwave, and the possibility of replacing the ovens.

Heather Frolick will review options for a new kitchen freezer.
The need for Certified Food Handlers was discussed. Tina Szucs and Heather Frolick will follow through on certification for when the Hall reopens.

The next meeting will be held April 10, 2024 at 7pm at the Community Centre.

Meeting adjourned at 8pm.
