Exhibit 1, that is expressly intended to extend to include the Manager, as a third-party beneficiary, as trustee and agent for the Manager. CMO shall be entitled to enforce the rights of the Manager, as a third party beneficiary, under such provisions.

(b) CMO Indemnity

CMO shall indemnify and hold harmless the Contractor, and its respective elected officials, officers, directors, employees, agents and representatives (the "Contractor Indemnitees") from and against any and all Losses or Claims brought against, suffered, sustained or incurred by the Contractor Indemnitees, directly or indirectly arising out of this Agreement attributable, wholly or in part, to any negligent acts or omissions by, or willful misconduct of, CMO, its officers, agents, servants, employees, licensees or contractors (other than the Contractor).

7.2 Limited Liabilities

- (a) Subject to Section 7.2(b) of Exhibit 1, the total cumulative liability of the Contractor to CMO for all Losses and Claims of any kind with respect to this Agreement, whether based on tort, negligence, contract, warranty, strict liability or otherwise shall be the total amount of the Contract Price paid to the Contractor for the Work, provided that in the first twelve (12) months after the Effective Date, such total cumulative liability shall be the greater of (i) the total amount of the Contract Price paid to the Contractor for the Work and (ii) CMO's reasonable estimate of the Contract Price expected to be paid to the Contractor for the Work during the first twelve (12) months after the Effective Date (the "Contractor Liability Threshold").
- (b) The Contractor Liability Threshold and Section 7.2(a) of Exhibit 1 shall not apply to any Losses and Claims arising out of, or in consequence of, any one or more of the following for which there shall be no limit of liability:
- (i) all costs to complete the Work, in accordance with this Agreement that are in excess of Contract Price; and
 - (ii) indemnification by the Contractor as set out in Section 7.1(a) of Exhibit 1.
- (c) Subject to 7.2(d) of Exhibit 1, the total cumulative liability of CMO to the Contractor for all Losses and Claims of any kind with respect to this Agreement, whether based on tort, negligence, contract, warranty, strict liability or otherwise shall be the total amount of the Contract Price paid to the Contractor for the Work, provided that in the first twelve (12) months after the Effective Date, such total cumulative liability shall be the greater of (i) the total amount of the Contract Price paid to the Contractor for the Work and (ii) CMO's reasonable estimate of the Contract Price expected to be paid

to the Contractor for the Work during the first twelve (12) months after the Effective Date (the “CMO Liability Threshold”).

- (d) The CMO Liability Threshold and Section 7.2(c) of Exhibit 1 shall not apply to any Losses and Claims arising out of, or in consequence of, indemnification by CMO as set out in Section 7.1(b) of Exhibit 1 for which there shall be no limit of liability.

7.3 Force Majeure

- (a) Subject to Section 7.3(b) of Exhibit 1, “Force Majeure Event” means any event or circumstance beyond the reasonable control of either CMO or the Contractor (other than a lack of funds or other financial reason) including the following:
 - (i) Unusually Severe Adverse Weather Conditions; and
 - (ii) riots, war, rebellion, sabotage and atomic or nuclear incidents.
- (b) A Force Majeure Event shall not include the following events or circumstances:
 - (i) weather conditions that are not Unusually Severe Adverse Weather Conditions;
 - (ii) an electricity system outage, unless the electricity system outage affects an entire Eligible Community and persists for at least forty-eight (48) hours and is caused by a Force Majeure Event;
 - (iii) unavailability of, or delays in delivery or breakage of, or shortage of, Equipment or materials, unless such unavailability, delays, breakage or shortage are caused by a Force Majeure Event;
 - (iv) the quantity of Blue Box Material collected or received differs from the Contractor’s expectations;
 - (v) delay or other failure arising out of the nature of the Work to be done, or from any normal difficulties that may be encountered in the performance of the Work, having regard to the nature thereof;
 - (vi) if and to the extent the Party seeking to invoke the Force Majeure Event has caused the applicable Force Majeure Event by its (and, in the case of the Contractor, Subcontractor’s) fault or negligence; or
 - (vii) if and to the extent the Party seeking to invoke the Force Majeure Event has failed to use reasonable efforts to prevent or remedy the Force Majeure Event, so far as possible and within a reasonable time period.

- (c) A Party that experiences a Force Majeure Event shall use all commercially reasonable efforts to end the Force Majeure Event, ensure the effects of the Force Majeure Event are minimized and resume full performance under this Agreement.
- (d) In the event that either CMO or the Contractor shall be unable to fulfil, or shall be delayed, or shall be prevented from the fulfilment of, its obligation under this Agreement by reason of a Force Majeure Event, then either Party shall forthwith notify the other in writing and CMO shall:
 - (i) terminate this Agreement or any affected Statements of Work as soon as reasonably practicable in writing and without any further payments being made; and
 - (ii) perform, or engage others to perform, the obligations under this Agreement that are impacted by the Force Majeure Event; or
 - (iii) authorize the Contractor to continue the performance of this Agreement in writing with such adjustments and/or amendments as required by the existence of the Force Majeure Event and as agreed upon by both Parties acting reasonably. If the Parties cannot agree upon the adjustments and/or amendments, it is agreed by the Parties that this Agreement shall be immediately terminated with no further obligations by either Party.

For clarity, the Contractor shall not be entitled to be paid for obligations under this Agreement that it does not perform as a result of a Force Majeure Event.

- (e) For the purposes of clarification and notwithstanding any other provision in this Agreement, the Contractor shall be solely responsible for maintaining all Work, including collection services, as applicable, in all circumstances that are not Force Majeure Events, in compliance with the requirements of this Agreement.

7.4 Agreement Termination

- (a) Any termination of this Agreement or termination of the Contractor's right to perform the Work (or any part thereof) by CMO shall be without prejudice to any other rights or remedies CMO may have.
- (b) Without prejudice to any other right or remedy CMO may have under this Agreement, CMO may terminate this Agreement or terminate the Contractor's right to perform the Work (or any part thereof) as follows:
 - (i) notwithstanding any other section of this Agreement, if there is a Legislative Change, immediately, upon written notice being provided to the Contractor;

- (ii) if there is a Contractor Default and the Contractor has failed to cure such Contractor Default within fifteen (15) Business Days after receipt of notice of such Contractor Default, or within such other time as mutually agreed between the Parties, immediately, upon written notice being provided to the Contractor; and
 - (iii) if the Parties cannot agree upon a Change Order upon thirty (30) days' written notice being provided to the Contractor.
- (c) If CMO terminates this Agreement as noted above, CMO is entitled to:
 - (i) Take possession immediately of all the Blue Box Material;
 - (ii) Withhold any further payments to the Contractor until the completion of the Work; and
 - (iii) Recover from the Contractor, any loss, damage, and expense incurred by CMO by reason of the Contractor's default under Sections 7.4(b)(ii) or 7.4(b)(iii) of Exhibit 1, which may be deducted from any monies due, or becoming due, to the Contractor.
- (d) For clarity, if CMO terminates this Agreement because of a Legislative Change or pursuant to Section 7.4(b)(iii) of Exhibit 1, then, subject to the other provisions of this Agreement, CMO shall only be required to pay the Contractor for the Work performed prior to the date of termination, less any amounts already paid for Work performed, and not for lost profits.

7.5 Remedies

- (a) The rights and remedies of CMO as set forth in any provision of this Agreement, including Section 7.4 of Exhibit 1, shall not be exclusive and are in addition to any other rights or remedies provided by law or in equity or otherwise.
- (b) The exercise of any remedy provided by this Agreement does not relieve the Contractor from any liability remaining under this Agreement.
- (c) CMO may take such steps as it considers necessary to remedy any breach of contract and any damages or expenditures thereby incurred by CMO plus a reasonable allowance for overhead may be collected by deduction or set-off pursuant to Section 7.4(b) of Exhibit 1.
- (d) No waiver of any right or obligation of either Party hereto shall be effective unless in writing, specifying such waiver, and executed by the Party against whom such waiver is sought to be enforced. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any

right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. A waiver by either Party of any of its rights under this Agreement on any occasion shall not be a bar to the exercise of the same right on any subsequent occasion or of any other right at any time.

7.6 Disputes

- (a) If there is a dispute between CMO and the Contractor as to their respective rights and obligations, the Parties shall use the following dispute resolution procedures to resolve such dispute:
 - (i) The Parties shall attempt to resolve the dispute through informal discussions with the assistance of the Manager;
 - (ii) If, after a period of ten (10) Business Days, either Party believes the dispute will not be resolved through informal discussion, the dispute shall be referred by the Parties to non-binding mediation whereby the fees and expenses of the mediator will be divided equally (i.e., 50/50) between CMO and the Contractor. The mediator will be appointed jointly by the Parties; and
 - (iii) If the Parties are unable to resolve the dispute within a period of thirty (30) calendar days after the first mediation session, the dispute shall be resolved through binding arbitration in accordance with Section 7.7 of Exhibit 1.

7.7 Arbitration

- (a) As provided for in Section 7.6(a)(iii) of Exhibit 1, disputes shall be resolved through binding arbitration in accordance with the Arbitration Act, 1991, S.O. 1991, c.17 ("Arbitration Act"), as amended from time to time.
- (b) CMO and the Contractor shall agree on an arbitrator within ten (10) Business Days after either Party receives notice from the other Party. If the Parties fail to agree, either Party may apply to a court of competent jurisdiction for the appointment of an arbitrator in accordance with the Arbitrations Act, as amended.
- (c) No one shall be named or act as an arbitrator who is interested in any way financially in this Agreement or in the business affairs of either Party or has been directly or indirectly involved to settle the matter.
- (d) The arbitrator is not authorized to make any decision inconsistent with this Agreement, nor shall the arbitrator modify or amend any of this Agreement terms.

- (e) The Parties agree that the award made by the Arbitrator shall be final and binding and shall in all respect be kept and observed.
- (f) The arbitrator, or arbitral tribunal, will apportion the costs of the arbitration to the Parties.
- (g) The Contractor shall be deemed to abandon the matter if no arbitrator has been appointed within six (6) months of CMO's receipt of the notice specified in Section 7.7(b) of Exhibit 1.
- (h) No matter may be submitted to arbitration except in accordance with the above provisions.

7.8 Choice of Forum

Any legal suit, action, litigation, or proceeding of any kind whatsoever in any way arising out of, from or relating to this Agreement shall be instituted in the courts of the City of Toronto, Ontario, and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, litigation or proceeding. Service of process, summons, notice, or other document by mail or personal service to such Party's address set forth herein shall be effective service of process for any suit, action, litigation or other proceeding brought in any such court. Each Party agrees that a final judgment in any such suit, action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. The Parties irrevocably and unconditionally waive any objection to the venue of any action or proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

- (a) The Contractor shall comply in all material respects with Applicable Laws and shall perform and complete the Work, and cause the Work to be performed and completed, in accordance with and in compliance with all Applicable Laws, including all Applicable Laws related to the environment and health and safety. If there is a conflict between the standards required by Applicable Laws, then Contractor shall perform and complete the Work in compliance with the higher or more rigorous standard.
- (b) The Contractor shall obtain, and shall ensure Subcontractors obtain, all permits, permissions, licences, and approvals required to perform the Work.

8.3 Assignment

This Agreement enures to the benefit of and is binding upon the Contractor and CMO and their successors and permitted assigns. 8.4 Contractor to Make Examinations

The Contractor has made its own examination, investigation, and research regarding proper methods of providing the Work and all conditions affecting the Work under this Agreement, and the labour, Equipment and materials needed thereon, and the quantity of the work to be performed. The Contractor agrees that it has satisfied itself based on its own investigation and research regarding all such conditions, that its conclusion to enter into this Agreement was based upon such investigation and research, and that it shall make no claim against CMO because of any of the estimates, statements or interpretations made by any officer or agent of CMO that may be erroneous.

8.5 Access to Records

- (a) The Contractor shall maintain in its designated local office full and complete operations, customer and service accounts, and records, as applicable to the Work, including records related to Collection Services and Promotion and Education Services, in each case in accordance with the Regulation (collectively, the "Records") that at any reasonable time shall be open for inspection and copying for any reasonable purpose by CMO or the Manager. CMO or the Manager shall be allowed access to the Records for audit (including, as applicable to the Work, for an audit of practices and procedures

implemented in respect of Part VI of the Regulation in accordance with Section 67 of the Regulation) and review purposes.

- (b) The Contractor shall make available copies of records for Blue Box Material picked up by CMO under this Agreement on request within two (2) Business Days of the request by CMO or the Manager.
- (c) All records related to this Agreement, including the Records, shall be maintained, and access granted pursuant to this Section 8.5 of Exhibit 1, throughout the term of this Agreement and for at least five (5) years thereafter.

8.6 Insurance

- (a) The Contractor shall at its own expense obtain and maintain for the term of this Agreement:
 - (i) Commercial general liability insurance on an occurrence basis for an amount not less than five million (\$5,000,000) dollars per each occurrence, five million (\$5,000,000) dollars general aggregate and a two million (\$2,000,000) dollars products-completed operations aggregate limit. The policy shall include CMO and the Manager as additional insureds with respect to the Contractor's operations, acts and omissions relating to its obligations under this Agreement, such policy to include non-owned automobile liability, bodily injury, property damage, contractual liability, owners and contractors protective, products and completed operations, contingent employers liability, cross liability and severability of interest clauses;
 - (ii) Automobile liability insurance for an amount not less than five million (\$5,000,000) dollars per occurrence on forms meeting statutory requirements covering all owned, non-owned, operated, hired, and leased vehicles used in connection with this Agreement. The policy shall be endorsed to provide contractual liability coverage;
 - (iii) Environmental impairment liability insurance (on a claims made or occurrence made basis), covering the work and services described in this Agreement including coverage for loss or claims arising from contamination to third party property damage, bodily injury, cleanup costs and legal defense during the execution of this Agreement. Such policy shall provide coverage for an amount not less than two million (\$2,000,000) dollars and shall remain in force for twelve (12) months following completion of work; and
 - (iv) "All risks" property insurance in amounts sufficient to fully cover, on a replacement cost basis without deduction for depreciation, any building in which the Work is being performed and the Equipment contained

therein and all other property owned by the Contractor or by others located therein including equipment, furniture and fixtures.

- (b) The Contractor shall not commence work until documentation evidencing the insurance requirements of the Contractor, have been filed and accepted by CMO. The documentation shall be certificates of insurance if purchased from a third party or evidence of self-insurance if applicable.
- (c) The Commercial General Liability policy is to contain, or be endorsed to contain, the following provisions:
 - (i) The Contractor's insurance coverage shall be the primary insurance with respect to CMO, the Manager and their respective officers, directors, employees, agents and representatives. Any insurance, self-insurance, or insurance pool coverage maintained by CMO or the Manager shall be more than the Contractor's insurance and shall not contribute with it;
 - (ii) Coverage shall state that the Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability; and
 - (iii) Policies for the above must be kept continuous throughout the term of this Agreement. If any of the above policies are being cancelled, the Contractor shall notify CMO and the Manager in writing at least thirty (30) calendar days prior to the effective date of cancellation. The Contractor shall provide proof of renewal or replacement of any other policies of insurance, on or before the expiry date, at the request of the CMO or Manager. CMO reserves the right to request such higher limits of insurance or other types of policies appropriate to the Work as CMO may reasonably require.
- (d) All coverages for Subcontractors shall be subject to the same insurance requirements as stated herein for the Contractor.

8.7 Changes to Agreement

- (a) Changes to this Agreement may only be made in writing signed by duly authorized representatives of both Parties.
- (b) No Party shall have any obligation with respect to the implementation of a Change Order unless or until the Parties have reached agreement in writing.

8.8 Change Management

- (a) CMO shall be entitled to propose changes, alterations and/or amendments to the Work including removing all or a portion of the Work under any Statements of Work. If CMO deems it prudent to require a change in the

Work, CMO shall notify the Contractor of the proposed change in the Work in writing (“Change Notice”). Without limiting the foregoing, CMO may issue a Change Notice using the Manager.

- (b) A Change Notice shall describe the change in the Work in sufficient detail to enable the Contractor to calculate and provide a change in cost estimate (the “Cost Estimate”), if any. The Contractor agrees that the Cost Estimate shall be provided in writing to CMO within a period of fifteen (15) Business Days or other timeline agreed to with CMO in writing from the date of receipt of the Change Notice.
- (c) The Cost Estimate shall include but is not limited to the following as it relates to the change in Work:
 - (i) A comment on whether relief from compliance with Contractor’s obligations under this Agreement is required;
 - (ii) Any impact on Contractor’s ability to meet its obligations and the terms and conditions set out in this Agreement;
 - (iii) Any amendment that may be required to be made to the terms and/or conditions of this Agreement; and
 - (iv) Any change in the Contractor’s costs.
- (d) As soon as practicable after CMO receives the Cost Estimate, the Parties shall act in good faith to resolve the issues set out in the Cost Estimate and Change Notice, including providing evidence that the Contractor has used best efforts, such as (where practicable) the use of competitive quotes with its subcontractors to minimize any increase in costs and maximize any reduction in costs, demonstrating that any expenditure to be incurred or avoided has been determined in a cost effective manner, and any other evidence deemed appropriate by the Contractor and CMO, acting reasonably.
- (e) If the Contractor does not intend to use its own resources to implement any change in the Work, subject to prior written approval of CMO, the Contractor may subcontract the required resources with the objective of ensuring that it obtains best value for money when procuring any Work, services, supplies, materials, or Equipment required in relation to the change in the Work.
- (f) If the Parties agree to the Cost Estimate and Change Notice, as may be modified, amended or altered by the Parties, the Parties shall document the applicable changes to this Agreement (“Change Order”) in respect of such modified, amended or altered Cost Estimate and Change Notice within five (5) Business Days after the Contractor receives confirmation from CMO that such Cost Estimate and Change Notice are accepted. For clarity, the Cost Estimate and Change Notice shall not be implemented, unless and until, the

Parties have entered into a Change Order in respect of such Cost Estimate and Change Notice.

- (g) Any change in the Work that causes, or is expected to cause, the Contractor's costs or any subcontractor's costs to decrease shall be treated as a benefit to the Contractor with the expectation and understanding that CMO will also realize a proportional financial benefit in an amount to be negotiated in good faith between the Parties. If such an understanding cannot be reached, the Parties agree to resolve the difference through the dispute resolution provisions set out in this Agreement.
- (h) Contractor's Proposed Change in the Work:
- (i) If the Contractor seeks to propose a change in the Work in accordance with an express entitlement in this Agreement, it must notify CMO in writing. The Contractor, in proposing a change in the Work, agrees to provide CMO with the following information and details in writing:
- A description of the proposed change in the Work in sufficient detail, to enable CMO to evaluate it in full;
 - Reasons in support of the Contractor's proposed change in Work;
 - Set out the details and implications of the change in the Work, including any anticipated change in the costs of providing the Work by the Contractor;
 - Indicate whether a variation to the Contract Price is proposed (and, if so, provide a detailed Cost Estimate of such proposed change); and
 - Identify an appropriate timeframe for the implementation of the change in Work.
- (ii) CMO agrees that it shall, in a timely manner, and in any event no later than fifteen (15) Business Days, evaluate the Contractor's proposed change in the Work, considering all relevant issues, including whether:
- A change in the Contract Price will occur;
 - The change affects the quality of the Work or the likelihood of successful delivery of the amended Work;
 - The change will interfere with any relationship of CMO with third parties;
 - The financial strength of the Contractor is sufficient to perform the change; and

- The change materially affects the risks or costs to which CMO is exposed.
- (iii) If CMO accepts the Contractor's proposed change in the Work, the change in the Work shall be set out in a Change Order documenting all changes to the scope of Work and/or terms and conditions of this Agreement. Where CMO accepts the Contractor's change proposal CMO shall notify the Contractor in a timely manner.
 - (iv) If CMO rejects the Contractor's change proposal, CMO shall provide written reasons outlining the basis upon which the change in Work is not accepted by CMO.
 - (v) Unless CMO specifically agrees to an increase in the Contract Price in writing, there shall be no increase in price because of a change in the Work proposed by the Contractor.
 - (vi) Any change in the Work proposed by the Contractor that causes or that is expected to cause the Contractor's costs or any subcontractor's costs to decrease shall be treated as a benefit with expectation that CMO will also realize a proportional financial benefit in an amount to be negotiated in good faith between the Parties. The Parties agree to take all reasonable steps to negotiate the proportional financial benefit in good faith, failing which the Parties agree to resolve the difference through the dispute resolution provisions set out in this Agreement.
- (i) Except as specifically confirmed in writing by the Parties in accordance with this Section 8.8 of Exhibit 1, all Work shall remain unaltered and shall be performed in accordance with the terms and conditions of this Agreement.

8.9 Conflicts and Omissions

- (a) Neither Party to this Agreement shall take advantage of any apparent error or omission in this Agreement. Any Work not herein specified which is necessary for the proper performance and completion of any Work contemplated, which may be implied as included in this Agreement, shall be done by the Contractor as if such Work had been specified and shall not be construed as a variation of the Work.
- (b) If the Contractor discovers any provision in this Agreement which is contrary to, or inconsistent with any Applicable Law, the Contractor shall forthwith report the inconsistency or conflict to CMO in writing and shall not perform the Work impacted by such inconsistency or conflict until it receives instructions from CMO.

8.10 Duty to Notify

If the Contractor becomes aware of any problem and/or condition which may adversely affect the performance of the Work, or the ability of the Contractor to conform with any requirements for the term of this Agreement, then the Contractor shall promptly, and in no event more than two (2) Business Days after becoming aware of same, notify CMO, in writing, of such occurrence and of the nature of the relevant problem or condition in sufficient detail to permit CMO to understand the nature and scope thereof. In any event, the Contractor will provide such written progress reports to CMO as reasonably requested by CMO but not less frequently than monthly unless otherwise agreed to in writing by CMO.

8.11 Confidentiality Covenant

- (a) Confidential Information means information of or relating to a party (the "Disclosing Party") that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure and has or will come into the possession or knowledge of the other party (the "Receiving Party") whether such information is or has been conveyed verbally or in written or other tangible form, and whether such information is acquired directly or indirectly such as in the course of discussions or other investigations by the Receiving Party. Without limiting the foregoing, Confidential Information includes all technical, financial and business information, ideas, concepts or know-how, or relating to Work performance and Work delivery and the terms of this Agreement. Confidential Information does not include information that: (i) was already known to the Receiving Party, without obligation to keep it confidential, at the time of its receipt from the Disclosing Party; or (ii) is or becomes available to the public other than as a result of a breach hereof by the Receiving Party; provided that the foregoing exceptions will not apply with respect to any personal information that is subject to privacy laws ("Confidential Information").
- (b) The Receiving Party shall:
 - (i) take all measures reasonably required to maintain the confidentiality and security of the Confidential Information of the Disclosing Party;
 - (ii) not use or reproduce Confidential Information for any purpose, other than as reasonably required to exercise or perform its rights or obligations under this Agreement;
 - (iii) not disclose any Confidential Information other than to employees, agents or subcontractors of the Receiving Party ("Representatives") to the extent, and only to the extent, they have a need to know the Confidential Information in order for Receiving Party to exercise its rights or perform its obligations under this Agreement and who are bound by a legal obligation to protect the received Confidential Information from unauthorized use or disclosure; and

- (iv) be responsible for any breach of this Agreement by any of its Representatives.
- (c) Notwithstanding the above, the Receiving Party may disclose Confidential Information of the Disclosing Party to the extent required by a court of competent jurisdiction or other governmental authority or otherwise as required by Applicable Law, provided that, unless prohibited by Applicable Law, the Receiving Party gives the Disclosing Party an opportunity to oppose the disclosure or to seek a protective order protecting such Confidential Information prior to any such disclosure.
- (d) Upon expiry or termination of this Agreement, or upon request by the Disclosing Party, the Receiving Party will return to the Disclosing Party, or irrecoverably destroy, any Confidential Information of the Disclosing Party.
- (e) Contractor will not access, collect, use, disclose, dispose of or otherwise handle information of or about individuals that is subject to Applicable Laws relating to privacy ("Privacy Laws") in the performance of its obligations under this Agreement, except: (i) to the extent necessary to perform the Work; (ii) in accordance with all Privacy Laws; and (iii) in a manner that enables CMO to comply with all Privacy Laws, including that the Contractor will obtain appropriate consents from the applicable individuals to allow Contractor and CMO to exercise their rights and to perform their obligations under this Agreement as they relate to such information. Unless prohibited by Applicable Law, Contractor will immediately notify CMO of any demand, or request by a third party (including any government or a regulatory authority) for the disclosure of any information of CMO which is subject to Privacy Laws, and, to the maximum extent permitted by Applicable Law, will oppose, seek judicial relief of and appeal any such demand or request. Contractor will immediately notify CMO if Contractor becomes aware that Contractor has failed to comply with Privacy Laws in connection with of this Agreement.
- (f) Each Party agrees and acknowledges that any violation of this Section 8.11 of Exhibit 1 may cause irreparable injury to the other Party and that, in addition to any other remedies that may be available (in law, in equity or otherwise), the injured Party shall be entitled to seek an injunction, specific performance or other equitable relief against the threatened breach of this Section 8.11 of Exhibit 1 or the continuation of any such breach, without the necessity of proving actual damages or posting any bond or other security.

8.12 Severability

- (a) If, for any reason, any part, term, or provision of this Agreement is held by a court of the Province of Ontario to be illegal, void or unenforceable, the validity of the remaining provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular provision held to be invalid.

- (b) If it should appear that any provision hereof conflicts with any statutory provision of the Province of Ontario or Government of Canada, said provision, which may conflict therewith, shall be deemed inoperative and null and void insofar as it may be in conflict therewith, and shall be deemed modified to conform to such statutory provisions.

8.13 Survival

All provisions of this Agreement which expressly or by their nature survive the expiry or termination of this Agreement shall survive the expiry or termination of this Agreement, including the following: Section 7.1 (Responsibility for Damages/Indemnification), Section 7.2 (Limited Liabilities), Section 7.4 (Agreement Termination) and Section 8.11 (Confidentiality Covenant), all of Exhibit 1.

8.14 Further Assurances

Each Party shall, at its expense, do, execute and deliver, or cause to be done, executed and delivered, such further acts and documents as the other Party may reasonably request from time to time for the purpose of giving effect to this Agreement or carrying out the intention or facilitating the performance of the terms of this Agreement.

8.15 Revisions to this Agreement

Except as otherwise expressly stated in this Agreement, no amendment, supplement, modification or waiver or termination of this Agreement and, unless otherwise specified, no consent or approval by any Party, is binding unless executed in writing and signed by an authorized representative of each Party. Notwithstanding the foregoing, CMO may propose any revisions to this Agreement necessary to comply with amendments to the Regulation or other notices, interpretations, rulings, directives or other communications issued pursuant to the Regulation (collectively, "Communications"), and CMO will provide the Contractor with written notice of such proposed revisions as soon as reasonably practicable. Such revision shall automatically have effect from the date of the Change Order, if any, related to such Communications. CMO shall make commercially reasonable efforts to consider and respond to reasonable written feedback related to such revisions received from the Contractor within thirty (30) calendar days of receiving such feedback.

8.16 Counterparts

This Agreement may be executed in counterparts, each of which shall be deemed an original and which, taken together, shall constitute one and the same instrument. Each counterpart of this Agreement may be executed by electronic signature. CMO and the Contractor shall execute and deliver such further and other documents and do and perform such further and other acts or things as may be necessary or desirable to give full effect to this Agreement.
