Preparing Your Home For A Safe Christmas

The holiday season is a time for celebration with friends and family. This means more food, decorations, hosting, and a need to be extra cautious around the house. Here are some tips to help you safely prepare your home for Christmas :

- **Keep your driveway and walkways clear** : When it snows, clear your driveway and walkways of snow and ice. Your guests and delivery people will appreciate it.
- **Holiday plants and pets do not mix** : Make sure you keep your pets away from poinsettias, holly, mistletoe and real Christmas trees as they can be toxic.
- **Reduce clutter** : Gifts, decorations, and winter clothes can create hazards. Try to reduce the clutter before the holiday season or confine it to a specific area of your home.
- **Check your safety alarms** : Check your smoke alarms, carbon monoxide detector, fire extinguisher and first aid kit.
- **Give safe gifts to children** : Toys are age-rated for safety – be mindful of what age you are buying for. If you are gifting a scooter or other riding toys, include the appropriate safety gear.
