

# Recycling Program Update — Township of Laird New Recycling Guidelines! You can now recycle even more items!

## Accepted Materials by Category:

### **Paper & Fibre**

Cardboard | Boxboard | Paper laminate packaging & containers | Cartons | Paper

### **Plastic & Foam**

Hard plastic containers | Plastic packaging & containers | Tubes | Small-item plastic packaging | Flexible plastic packaging | Foam packaging

### **Metal**

Metal containers | Aluminum (foil & trays) | Aerosol containers (empty, lids on)

### **Glass Containers**

Glass bottles & jars

*Please do not include alcoholic beverage containers*

### **Not Accepted:**

Food waste | Propane tanks | Paint & hazardous materials

## How It Works:

- ✓ Place all recyclables (metal, glass containers, plastic & foam) in **commingled bins** and cardboard and paper products in **cardboard and paper bins**
- ✓ Check both sides of the building for available space
- ✓ Ask the attendant for help if bins are full
- ✗ Please don't leave items on the ground

## **Be Recycling-Ready:**

- Give containers a quick rinse before recycling
- Place materials **clean, dry, and loose** in the bins
- Flatten and bundle cardboard to save space
- Lids and labels can stay on containers

### **Where to Recycle:**

Laird Township Waste Disposal Site - 1606 Government Road
