

FIRE BAN IN EFFECT – LAIRD TOWNSHIP

Effective Immediately

Due to current dry conditions and an increased risk of wildfire, Laird Township's contracted fire service provider — the Echo Bay Fire Department (Township of Macdonald, Meredith & Aberdeen Additional) — has implemented a Fire Ban that applies within Laird Township effective immediately.

 All open-air burning is prohibited, including:

- Burn barrels
- Brush or yard waste fires
- Campfires or recreational fires
- Any other open-air fires

Landfill Notice

Burnable materials will not be accepted at the Laird Township Landfill for the duration of the Fire Ban.

Duration

The Fire Ban will remain in effect until conditions improve and the Echo Bay Fire Department advises that it is safe to lift the restriction.

Community Cooperation

We appreciate everyone's cooperation in helping protect our residents, properties, and emergency responders.

Please share this notice with friends, family, and neighbours to ensure broad community awareness.

Updates

Updates will be posted on the Township's website and official social media channels.

Thank you for your cooperation and understanding.
